DJ Customs will be held harmless from liability for filing the Importer Security Filing resulting from any missing, discrepant or late information. Liabilities may include, but are not limited to penalties, exam fees or demurrage. To ensure that the ISF is transmitted to CBP no less than 24-hours prior to cargo being laden on-board the vessel, all required ISF data elements including the bill of lading number must be provided no less than 72-hours prior to the vessels scheduled sailing date.
